Dear 2015 AGTA GemFair™ Tucson Exhibitor,

The 2015 GemFair Exhibitor Manual is now on-line. The manual is easily accessible by clicking on the following link: <https://ordering.ges.com/017600370> or going to www.agta.org then Trade Shows/Tucson/Exhibitor Information. You will also find the Exhibitor Marketing Kit in this area.

While you have plenty of time to order your booth equipment at the lower rate but you might as well order now before your busy season is in full force. If Kimberly or I may be of help as you prepare for GemFair, please do not hesitate contacting us at 800-972-1162 or by email.

Sincerely,
