

Dear Buyer,

As you know, AGTA GemFair™ Tucson is right around the corner. You know it for the finest selection of colored gemstones, cultured pearls and color intensive fabulous jewelry. But, have you heard about our CAD Studio? You can have custom CAD designs created for any and every gemstone purpose.

Did you know you can select from over 30 stimulating FREE seminars? Also, there are hands-on demonstrations, MJSA's "*At the Bench*" Live, to show you the latest bench techniques. You can also stop by and visit tools and equipment suppliers for your bench needs. Your AGTA GemFair™ experience will result in new business and a rewarding return on your investment.

We realize your busiest time of the year is quickly approaching. Before you get caught up in the demands of the holiday, be sure you register to attend AGTA GemFair™ Tucson taking place February 3-8, 2015. If you attended AGTA GemFair™ last year, we will pre-register you for the 2015 show. If you did not attend last year, just click [here](#) to register today!

The block on hotel rooms closes at the end of December. Be sure to make your hotel reservations by clicking [here](#).

We look forward to seeing you at AGTA GemFair™ Tucson!
