

AGTA GEMFAIR™ TUCSON
2015 | FEB. 3–8

ADD MORE COLOR TO YOUR LIFE!

Calling all FedEx Shippers ... AGTA Shipping Information

FedEx Express will be onsite for the AGTA GemFair Tucson™ during select show hours near the AGTA vault or if you prefer you can schedule an on-call pickup at 1.800.Go.FedEx. Make sure to bring your FedEx account number, login id, and password to the show. FedEx.Com will be available for show attendees to process their shipments by logging in to their fedex.com account or by creating a one-time shipment and paying by credit card. Other options to create Express labels include preprinted airway bills, handwritten airway bills, and accessing the FedEx App on your smartphone

<http://mobilesolutions.fedex.com/>. For any questions regarding FedEx please dial 1.800.GO.FedEx. For declared value questions, please call 1.866.744.7389 to speak to a declared value representative.

Brush up on your shipping knowledge before coming to the AGTA GemFair Tucson™ to make shipping easy....

- If you are new to shipping , please visit <http://www.fedex.com/us/ship/>
- All shippers should review declared value and limits of liability (Not Insurance Coverage) in the service guide <http://www.fedex.com/us/service-guide/terms/express-ground/index.html>
- Learn how to create and complete labels <http://www.fedex.com/us/service-guide/our-services/create-labels/>
- For common questions regarding how to get started shipping internationally and countries served please visit this link <https://smallbusiness.fedex.com/international/faqs.html#>
- Ensure you are up to date on the types of international paperwork that may be required for your US Export Shipments before arriving at the show. Some of the most common types of paperwork required are:
 - A Commercial Invoice
 - Certificate of Origin
 - NAFTA Certificate of Origin
 - Electronic Export Information (EEI)
- FedEx Customer Service dial 1.800.Go.FedEx or for all customer service phone numbers within the US and outside the US please visit :
<http://www.fedex.com/us/customersupport/call/>
