

The New & Improved AGTA Pavilion at JA New York

A Sales Opportunity You Can't Afford to Miss

The AGTA Colored Gemstone Pavilion is located on the main show floor in a high-trafficked area. The re-vamped, boutique setting of the show provides a sophisticated business environment focused completely on helping you sell and attract more buyers and keeping them on the show floor longer. JA New York is one of the best forums for reaching thousands of retailers searching for quality colored gemstones. It is three days of selling and business-building interaction in the jewelry capital of the world.
