

Send your
customers a
map to your
booth at
JCK[®] Las Vegas

Here's How:

- 1) Go to www.jckonline.com
- 2) Locate the JCK Shows drop-down menu and select JCK Las Vegas
- 3) Locate the Show Information drop-down menu and select 2015 Floor Plan
- 4) Locate the area your booth is located in on the color-coded map
- 5) Click on the area in which your booth is located and a map will appear
- 6) Locate the 3 small icons located in the lower right corner of the map
(one with a plus sign, one with a minus sign, and a third icon with 9 tiny squares)
- 7) Click on the plus or minus icon to increase or decrease the size of the map
- 8) By clicking on the icon with the 9 tiny squares you can then use your mouse to move inside the map
- 9) Locate your booth
- 10) Right click on the map and select print preview or print
- 11) Print your map
- 12) Scan your map to email to your customers

Tip: *Send a simple email message to your customers, and attach an invitation letter along with the map to your booth. Make sure helpful points of reference are clearly noted on the map you send, for example: entrances, aisles, seminar meeting rooms, etc.*
