

AGTA Members: Want Free Publicity? Send Us Your Content!

AGTA is in need of material for The Daily Gem! We want to create interest and awareness for the beautiful products from our AGTA Members. Every day AGTA showcases a stunning gemstone or piece of jewelry on Facebook, Instagram and Twitter from one of our Members; starting with YOU!

All we need is a JPG image and a brief description of your piece. Since we are *The Authority In Color™* we require that your submission represent a colored gemstone or cultured pearl, but it can be either loose or finished.

We will be cycling through the different images on a daily basis. Make sure to check our [Facebook](#), Instagram (username: @agta_gems) and [Twitter](#) page to see when your gems are up! We will be asking our Fans and Followers to participate in The Daily Gem, and comment/share and like the pictures. It's a great way to get these beautiful gems out to the public! And even better, it's **FREE!**

Also remember, ePRISM is always looking for interesting content. If you have stories related to colored gemstones or pearls to share with our readers, please email them to us for consideration.

All of your submissions or inquiries can be sent to Megan Whitmire at Megan@agta.org or 800-972-1162.
