

*August 3, 2015*

Dear Smart Show Exhibitor,

We want to remind you that the deadline to renew your booth at the same price as last year is fast approaching. If you have renewed-GREAT- if not please complete the form and send to the Smart Show as soon as possible.

Great changes have been made for the 2016 show. The AGTA Pavilion has been moved next to the Designer Pavilion and we have the Diamond Pavilion on the other side. Perfect location for our buyers who love color and the Designers who want to come and buy color for their line.

If you haven't already, send your completed renewal form and booth deposit today. If you have questions, please do not hesitate to call Kimberly or me at 800-9872-1162.

[Click here for the Renewal Application & Floor Plan.](#)

Have a great summer!
