

URGENT

[A new vote needs to be cast in the upcoming Board of Directors Election](#)

Dear Firm and Charter Members,

Ballots for the upcoming election of Board of Directors have been sent to you earlier, both regular post and via email. There was an error in this ballot, noting that there were three director positions to be filled on the Board of Directors, when there are actually four director positions to be filled. If you have already voted, your vote will not be counted and will be considered null and void. All members will be required to vote, either via email or by using the new ballot we are sending out with the notation "RE-VOTE" listed prominently in the upper right and left hand corners of the document containing the ballot.

We apologize for any inconvenience that this error may have caused you and can answer any questions that you may have if you would like to call us at the office, 1-800-972-1162 or email me at doug@agta.org.

Sincerely,

Douglas Hucker, CEO
