Dear AGTA GemFair™ Exhibitor:

The AGTA Staff and Show Committee have been working diligently for the past year to do everything possible to ensure that we have strong attendance at the upcoming AGTA GemFair™ Tucson show. We have ramped up our advertising and direct mail campaigns, as well as instituted international outreach in China, Japan, Canada and Latin America.

We need your help to continue the outreach!

AGTA is offering to pay for you to have a custom email template, called an eVite, designed and formatted for your company. This service is **FREE** to you! Just imagine how our show could be even more successful if each of our members sent their personalized eVite to their clients inviting them to the show!

Our GemFair pre-registration numbers are strong, and together, we can make them even better! We have included a link in this email to the site where you can customize your eVite template. We have included below a sample template from A & Z Pearl to give you an example of how great the finished product looks. It is as easy as 1,2,3...and when you receive your customer eVite back, you can either email it to your client list yourself, or you can upload your list to our vendor (confidentiality guaranteed), who will email it on your behalf.

There will be a free webinar hosted on Wednesday, January 13th at 1:00PM EST. To register, please [click here to sign up](#).

Order your custom eVite today and let's work together to make the 2016 AGTA GemFair™ Tucson the best one yet!

Best,

Ruben Bindra
