AGTA Members: Want Free Publicity? Send us Your Content!

AGTA is in need of material for The AGTA Daily Gem! We want to create interest and awareness for the beautiful products from our AGTA Members. Every day AGTA showcases stunning gemstones and cultured pearls with over **19,000 followers** on Instagram, **8,000 followers** on Facebook, and almost **2,000 followers** on Twitter from one of our Members; starting with YOU!

All we need is a JPEG image and a brief description of your submission (please see example below). Since we are *The Authority in Color*, we require that your submission represent a colored gemstone or cultured pearl, but it can either be loose or finished.

We will be cycling through the different images on a daily basis. Make sure to check our [Facebook](#), [Instagram](#) and [Twitter](#) page to see when your gemstones and/or designs are up! It's a great way to get these beautiful gemstones and cultured pearls out to the public! And even better, it's **FREE!**
