

SECURITY ALERT

Brazilian Gem Source Robbed of Inventory

Dear AGTA Members,

We are sorry to inform you that an AGTA Member, Brazilian Gem Source, suffered an armed robbery in the San Francisco area last week. As they were exiting their hotel, they were ambushed by four masked robbers and their entire inventory was stolen. Thankfully, they are physically recovering, but are now working with law enforcement to track down any of their goods that can be recovered.

The link below is to a Hightail folder that contains photographs of their missing inventory:
