Gemstone Enhancement Codes*

N = Not Enhanced	B = Bleaching	C = Coating
D = Dyeing	F = Filling	H = Heating
HP = Heat & Pressure	I = Impregnation	L = Lasering
O = Oiling/Resin	R = Irradiation	U = Diffusion

SC = Special Care **ASBL** = Assembled

CMP = Composite

W = Waxing/Oiling in Opaque Stones

*Codes and type of treatments must only be used as directed in the *Gemstone Information Manual*, available at www.agta.org
